Dear Parents & Pupils

RE: Sixth Form Open Evening – Monday 26th November 2018

I am writing to invite you to the Sixth Form Open Evening at Sarum Academy to be held on Monday 26th November 2018 from 5:00pm until 7:30pm in the Academy.

Sarum Academy Sixth Form offers a full range of courses from A Levels to Level 3 BTECs, as well as more vocational qualifications which allow us to be successful in meeting every pupil's learning needs. With partnerships from Southampton FC and a dedicated hair salon, it is an exciting time as we look towards 2019 with record numbers of enrolments this month and our successful grading of "Good" for our Sixth Form from our last OFSTED inspection.

The Open Evening will outline all the opportunities available to pupils after Year 11 and will consist of guidance on how to apply, followed by the opportunity to talk to teachers about the subjects on offer, where they might lead to, as well as taking a look at the Sixth Form Area and speaking to current students.

The Open Evening will also be a chance for Year 10 pupils to start thinking about their post 16 future choices. This will allow Year 10 pupils plenty of time to make decisions about their futures without the pressures of exams.

Sixth Form pupils also benefit from being a member of an Academy which has dedicated support for academic achievement from their Tutors, strong pastoral care and professional careers and educational guidance. Many of our pupils comment that they come to the Sixth Form because they know staff will help them achieve their best.

Following our excellent Sixth Form results in August 2018, pupils make better progress here than the national average. High numbers of pupils go on to University, Apprenticeships and Employment and there are many reasons to explore the offer from Sarum Academy Sixth Form.

I look forward to showing you around our established and successful Sixth Form.

Yours sincerely

Mr J Curtis
Headteacher
