## Comments

1. "Homework, as a parent I am not routinely seeing returned marked work. Homework is being accepted on free paper and not made compulsory to be completed in subject books. This would be better for future revision. Planners are currently not signed weekly by the tutors. Maths work book Yr9 - Is this not the format"
2. "Since my son has joined this school he is very happy because he says he got any help he went with the teachers and everyone behaved well with him. He feels more confident here."
3. "Received Year 8 report only it was for Year 7! Waiting to see if recent changes to school structure are effective"

5. "My child has only been here a short time but seems to be settling down OK"
6. "We still feel that our son is not challenged enough and does not have much HWK. He frequently can complete the tasks in class"
